

The Final Placement process for the Class of 2019 of the Post Graduate Diploma in Management Programme (PGDM) at NMIMS Hyderabad was successfully completed. Firms from multiple domains hired students in various kinds of roles which included a mix of companies visiting for the very first time and also the one which have been visiting us previously. Few highlights of this year's placement season are,

- There has been a 20% increase in the average CTC & a 14.2% increase in the median CTC over last year.
- A total of 28 new brands recruited our students from the campus this season.
- The top 50% students secured an average CTC of 13.10 lakh while the other 50 percent bagged an average of 10.35 lakh.
- The highest CTC offered was of Rs 25L with an average of Rs 12L & median 10.3L, thus being the first B-School in Hyderabad crossing an average of 12L barring ISB.
- There had been a total of 87 offers to our students from 40 reputed organizations.
- There has been an increase of 80 percent in the number of companies that have visited our institution this year.

The Summer Internship Placements for the 2020 batch has also been concluded. There were a total of 83 companies which visited our campus and out of which 56 companies were here for the very first time. The internships being offered are paid for 98 percent of the batch with rest having opportunities for PPI/PPO. The stipend being offered has also increased by 59 percent with the highest being 90,000 rupees and the average being 23,103 rupees.

NMIMS Hyderabad thus draws close to another successfully completed placements season. We are very thankful to the overwhelming response shown by various organizations to invest in the calibre and diverse demographic of the students of NMIMS Hyderabad. Thank You.
